

**NCGC General Meeting**  
**May 1, 2014**

Due to a scheduling conflict at the MUD building, Program Chairs Maddy Gardner and Gayle Spence had to quickly find a new location. They valiantly rose to the occasion, catering was cancelled, emails were sent, calls were made and all went well at El Jarrito Mexican Restaurant on Highland Knolls.

A short business meeting preceded a delicious lunch and the Busy Bee gift exchange. Alice welcomed all in attendance, thanked Maddy and Gayle for rescuing the day, and thanked all retiring board members for their contributions and hard work. The treasurer's report was given. It was announced that the minutes of the last meeting were approved at the board meeting and would be available on line. Those in attendance were asked to vote their preference between making a donation to Katy Prairie Conservancy or the Memorial Park Reforestation Project. The members chose Katy Prairie Conservancy. They were then asked to approve raising the amount of the donation from \$100 to \$200. That was also approved. The meeting was adjourned and all had an enjoyable time with visiting, lunch and the Busy Bee gift exchange.
